ALWAYS IN GREAT TASTE.

LYONS

THE ESSENCE OF FRUIT, THE MEANING OF CONVENIENCE.

Superior quality fillings start with superior quality fruit. That's what makes Lyons Fruit Fillings the ideal choice for convenience, flexibility, and most important of all, quality. No matter how you use these fillings, they'll deliver the kind of flavor and eye appeal that will keep your customers coming back for more.

FILLING YOUR RECIPE NEEDS

Only the finest fruits are used in Lyons Fruit Fillings. Each slice or berry is carefully selected for premium quality, bountiful flavor, and perfect consistency. With plump blueberries, boysenberries and strawberries, it's easy to see why Lyons is ahead of the pack. Taste the difference with our crisp Fuji apples, juicy tart cherries, and ripe California Freestone Peaches. Add Lyons Fruit Fillings to your menu and maximize your sales and profits.

TOP OF THE LINE PROCESSING TECHNIQUE

Lyons Fruit Fillings are manufactured with our Spiral Flow technique. This proprietary system produces Fruit Fillings with superior quality and value. By using the Spiral Flow, the fruit has excellent identity, outstanding fruit texture, and uniformed fruit-to-slurry ratio.

NOT JUST FOR BAKED GOODS ANYMORE

Don't let the name fool you. Lyons Fruit Fillings can be used for more than just the center of baked goods. From breakfast to dessert, our Fruit Fillings give you a vast range of menu options. Dress pancakes, waffles or French toast for an eye-appealing, stomach-pleasing meal. For dessert, they'll act as the main ingredient for unforgettable pies, cobblers, cakes, or in open tart shells. Lyons Fruit Fillings also double as toppings for heavenly cheesecakes, ice cream and frozen yogurt.

EVERYTHING ELSE FAILS IN COMPARISON

Lyons knows when it comes to operating an efficient business, convenience is key. That's why Lyons is now offering Fruit Fillings in a user-friendly, resealable pail. Made with a heavy gauge plastic, each pail is more damage resistant and comes with a tamper proof, zip-tab lid that's easy to reapply. And, if you're running low on space, Lyons Fruit Fillings pails are easily stackable to maximize your storage area.
