LYONS

Quality, value and convenience come together in our expanded line of juice concentrates and bases. From 100% pure juice and juice blend concentrates to our 50% and 35% juice bases, there's a fresher tasting solution for every foodservice need and budget.

"JUST PICKED" FLAVOR IN SPACE SAVING SHELF-STABLE PACKAGING

Superior flavor no longer comes at the expense of freezer space, thanks to Lyons' proprietary processing that ensures a finished product with fresh, "just picked" flavor and rich vibrant color. Our shelf stable cartons eliminate the need for valuable and expensive freezer space and time-consuming thawing prior to mixing. Our square cartons also take up 40% less storage space than cans or plastic jugs.

QUALITY THAT'S ALWAYS CONVENIENT

A perforated notch on every carton makes for fast and easy opening by hand, eliminating the need for can openers which can contaminate canned product and create sharp edges and metal fragments. The cartons also crush flat for more cost-effective disposal.
